**OTHER INFORMATION**

Additional Information :

**COATING RISK (Yachts)**  
**Proposal form for analysis**

**REQUEST FOR INSURANCE**

Study of risk submitted by :

Application date :

This insurance application is intended to allow the study of risk; it does not bind either the insurer or the applicant for insurance.

The insurance policy will be established on the basis of the above information, misrepresentation, omission or withholding of material facts may lead to sanction under the French Insurance Code. For marine insurance you are reminded that the insured, in addition to answers to questions in this Proposal form for risk analysis, must report all material facts known to him which are likely to influence the insurable risk proposed.

Information to be included in the questionnaires issued by our French offices:

Computerized data processing and individual rights

As required by law for closing and management of the policy and its covers, the items of information regarding an insured is intended for Helvetia, service providers, subcontractors, representatives, co insurers, reinsurers and professional bodies.

In the management of claims, your data may be transmitted to the professional body ALFA, as well as to investigators, for the purpose of combating insurance fraud.

Unless you object thereto, that information may also be transmitted to other Helvetia entities and their partners for commercial purposes.

Finally, to comply with the legal requirements, Helvetia has set up a monitoring system, the purpose of which is to combat money laundering and the financing of terrorism.

You have the right to access, transmit, rectify or oppose your data by sending by post a request, along with a photocopy of your identity card, to Helvetia, 25 quai Lamandé, 76600 LE HAVRE, France, or by email at [contact@helvetia.fr](mailto:contact@helvetia.fr)
