Please note: We will inform your employees of the amount of the retirement benefits directly at the appropriate time.

Timing of retirement

Semi-retirement

Please note: We will inform your employees of the amount of the retirement benefits directly at the appropriate time.

Timing of semi-retirement

Annual salary and degree of employment **before** the new semi-retirement stage:

Current annual salary

Current degree of employment in %

Desired semi-retirement (share of retirement benefit in %)

Annual salary and degree of employment **after** the new semi-retirement stage:

New annual salary

New degree of employment in %

Notes:

- Semi-retirement entails a maximum of five possible stages. The first stage must amount to at least 10% of the retirement benefit.
- The proportion of the retirement benefit drawn before retirement age may not exceed the share of the salary reduction. Withdrawal of the retirement benefit as a lump sum is possible in a maximum of three steps.
- This also applies when the salary paid by one employer is insured with multiple employee benefit institutions. One disbursement comprises all retirement benefits drawn as a lump sum within one calendar year.
- In all cases, the provisions as set out in the regulations apply.

Retirement before expiry of continued insurance (Art. 33b LOB) or before expiry of deferral of retirement benefits (Art. 13b LOB)

Please note: We will inform your employees of the amount of the retirement benefits directly at the appropriate time.
