**Please note:** If a civil partnership is dissolved, there will be no further entitlement to benefits for a partner's pension in the event of a claim. If you have given in the form to change the order of beneficiaries in favour of the former partner, this shall also become invalid. If the partnership is resumed at a later time, this is treated, according to the regulations, as a new partnership for which a new "[Registration for a partner's pension](#)" needs to be submitted.

## **Data protection**

All personal data will be processed in accordance with the current legislation:

For compulsory occupational benefits, the data protection regulations of LOB (Art. 85a ff. LOB) apply. The provisions of the FADP apply in addition. The FADP applies to purely supplementary occupational benefits (for information e.g. identity and contact details of responsible persons, processing purposes, etc. can be found under the keyword data protection at [www.servisa.ch](http://www.servisa.ch)).
