Salary and employment Employee number Employment relationship **Employed** Self-employed \bigcirc Personnel category Organizational unit Annual salary Degree of employment as % Note annual salary: The basic salary is the expected annual salary subject to OASI contributions. It is determined on the basis of the last known OASI salary, taking into account any changes that have already taken effect or which have been agreed for the current year. It does not include salary components paid only occasionally. The latter include, in particular, gifts rewarding years of service and similar, special compensation paid irregularly and/ or that is not contractually guaranteed. For persons who are employed for less than 12 months in a calendar year, the annual salary is considered to be the salary that the insured person would achieve if employed for the whole year. Is the person to be insured fully capable of working or earning at the start of the employment relationship? Yes \bigcirc No If not: Degree of incapacity for work or incapacity to earn in % Registration with the Swiss disability insurance scheme has been completed DI provision is available Accident insurance provision is available Has the person to be insured received a pension from the Swiss disability insurance scheme in the last three years? \bigcirc Yes \bigcirc Nο Competent IV office: Canton **Confirmation employer** I hereby confirm that I have provided all details truthfully. This registration was entered by First name Last name
